**Re: Open letter to the Government of California from organizations and Activists based in Acre**

Dear Governor Brown, Members of the California REDD Offset Working Group and members of the California Air Resources Board

Please find enclosed an open letter from organizations and activists based in Acre and Brazil regarding the inclusion of forest offsets from the state of Acre in California's cap and trade program.

We appreciate your consideration in this matter  
Sincerely,

Lindomar Dias Padilha  
Coordenador CIMI- Amazônia Ocidental
